ತುಮಕೂರು

ಇವರಿಗೆ,

ಪ್ರಾಂಶುಪಾಲರು
ವಿಶ್ವ ವಿದ್ಯಾನಿಲಯ ವಿಜ್ಞಾನ ಕಾಲೇಜು
ತುಮಕೂರು

ಮಾನ್ಯರೇ,

ವಿಷಯ:- ದಿನಾಂಕ: 30-07-2018 ರಂದು ನಡೆಸುವ Skill Development Special lecture
**SKILL FOR DEVELOPMENT OF ESTROGEN FREE PRODUCTS-
SCOPE FOR LIFE SCIENCE STUDENTS** ಗೆ ಅನುಮತಿ ಪಡೆಯುವ ಬಗ್ಗೆ.

ಮೇಲ್ಕಂಡ ವಿಷಯಕ್ಕೆ ಸಂಬಂಧಿಸಿದಂತೆ, UGC ಯ CPE ಅನುದಾನದಡಿಯಲ್ಲಿ ಕಾಲೇಜಿನ ಪ್ರಾಣಿಶಾಸ್ತ್ರ
ವಿಭಾಗದಿಂದ **SKILL FOR DEVELOPMENT OF ESTROGEN FREE PRODUCTS-SCOPE
FOR LIFE SCIENCE STUDENTS** ಎಂಬ ಒಂದು ದಿನದ ಉಪನ್ಯಾಸವನ್ನು ನಮ್ಮ ಕಾಲೇಜಿನಲ್ಲಿ ನಡೆಸಲು
ಅನುಮತಿ ನೀಡಬೇಕೆಂದು ಈ ಮೂಲಕ ತಮ್ಮಲ್ಲಿ ವಿನಂತಿಸುತ್ತೇನೆ.

ವಂದನೆಗಳೊಂದಿಗೆ,

ತಮ್ಮ ವಿಶ್ವಾಸಿ,

ಶ/ಎ

Dr. PARIMALA B.

Special lecture

Skill for development of estrogen free
products- scpoee for life science

Organized By
Department of Zoology

ESTROGEN

Venue

Department of Zoology
University College of Science
B. H. Road, Tumkur-572 103
Karnataka, India.

Date: 30-07-2018

All are cordially invited by
HOD and staff

Dr. PARIMALA B.
M.Sc. in Phil., B.Ed., Ph.D.
Assistant Professor
Department of Zoology
University College of Science
Tumkur-572 103

...to address the needs of students in higher education in Tumkur district aiming to achieve human potential development through committed and dedicated efforts. The University is ensuring an effective application of integrated and interdisciplinary approaches in its dissemination of knowledge. Within a very short span of time, the visionary leadership of the university has been successful in getting necessary infrastructure to the institution and is now marching towards establishing itself into a Centre of Excellence.

...established in 1940. In the beginning, it was an Intermediate College, when it was upgraded into a degree College. B.Sc. courses in different combinations such as PCM, CBZ, PMG and CBG were introduced. Commerce subjects were introduced in 1970. At present, Smt. Shalini B. R. is the Principal of the College. Under the able guidance and leadership of Tumkur University, the College is reaching greater heights from all angles. The college is equipping itself with more infrastructure and space in order to accommodate more courses and facilities.

Department of Zoology

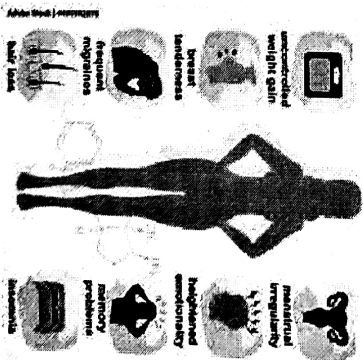

Department of Zoology was established in 1969. The department aims to provide a strong basement in scientific methods and first-hands knowledge. Department mainly focuses on research in Life Sciences with a contribution to the field of Animal Sciences. Department staff members encourage students to update scientific knowledge by involving in Seminars, Symposia, Conferences, discussion panels and also preparing them to take up competitive exams such as CSIR-UGC-NET and several entrance exams to Research Institutes.

...role in the normal sexual and reproductive development in women. They are also sex hormones. The woman's ovaries make most estrogen hormones, although the adrenal glands and fat cells also make small amounts of the hormones.

Workshop Themes:

- Effects of estrogen
- Maintenance of estrogen hormone by healthy diet

THE RESULT OF INCREASED ESTROGEN IN WOMEN

Special Lecture

On
Skills for development of Estrogen free products - Scope for Life Science students".

Programme Report

The programme was arranged in the Department of zoology on 30-07-2018 and the programme was started at 10: 35 AM with blessings by the invocation song sung by Ms. Lavanya III B.Sc., CBZ student followed by Smt. Lalitha H.M. welcomed the gathering, the guest, patrons and the resource person with flowers in symbol of honour. Firstly Smt. Shalini B.R. Principal, University College of Science was welcomed with flower bouquet in symbol of love and honour, later the eminent Resource Person Dr. S. Badami was welcomed with flower bouquet with honouring, followed by Smt. Rathnakumari HOD of Zoology, staff and students were also welcomed to this programme. The programme was inaugurated by the dignitaries - Smt. Shalini B.R. Principal, Dr. S.Badami Resource person and Smt. Rathnakumari HOD. The programme was started with inaugural speech made by Dr. S. Badami regarding his Ph.D. work on Infertility in Gulbarga University in 1991 and also gives information regarding Estrogen that affecting today's life. Vote of thanks was done by Ms. Simi Simon and Smt. Parimala read curriculum vitae.

Further session was begun by Dr. Badami 11:00am on the topic "Skills for development of Estrogen free products - Scope for Life Science students". He gave current information of problems related to infertility. How the infertility increases with age, by showing graphs, pictures the capacity of women to give birth in 1940s, it was five but now it has been decreased to two. Reason behind this decrease in fertility was also explained. He also suggested undergoing two tests to before marriage one is HIV and other is sperm count because today's youth shows the sign of infertility. At first gave reason for infertility in men that includes sperm count, sperm volume, and motility of sperm. "Time waits for no one". The infertility starts from womb. Normal and abnormal sperms due to several reasons like hot water bath, environmental Estrogen, chemicals, alcohols, smoking etc....

Secondly the infertility in women was due to frequent abortions, miscarriages, premature deliveries and age of puberty has decreased to 5 years i.e 8 years and also age of menopause is 45. This results in cancer of reproductive organs etc. Next is infertility in children cryptore is the condition where there will be no production of sperms in adulthood. Thelarche – premature breast development which leads to the early puberty, infertilities, breast and uterus cancer etc... One of the reasons behind this is mother taking more estrogen during pregnancy. In UK, breast milk is with chemicals nearly 350 contaminants were found (WWF reports). He also gave other reasons behind infertility like obesity, mobiles affecting both male and female that 40% of IT people are impotent due to oxidative stress. This has created an awareness among the students.

Lastly he gave the information to overcome infertility by changing our lifestyle by adapting certain good food habits, regular exercise, yoga, avoiding use of plastics, use of more antioxidant food which are the source of vitamins C, E, Zn and DES-Diethyl Stilboestral was used to prevent abortion during 1940-1970. Hazards and disadvantages of estrogen. The programme was winded up at 1:00PM.
