## Report of the National Science Day Lecture Series

The department of PG Studies and Research in Physics organized a National Science Day Lecture Series on March 04 2022 for the post graduate students at the department of PG Studies and Research in Physics, Albert Einstein Block, University College of Science, Tumakuru. More than 80 students and staff attended the lecture series and enriched their knowledge. The main objective of the event is to motivate the students in the field of research.

Honourable Vice Chancellor of Tumkur University Col. Prof. Y S Siddegowda sir attended the inaugural function via virtual mode as he was out of station on duty. He urged the students to take up research and contribute the betterment of human being. Prof. K Shivachithappa, Registrar, Tumkur University, Tumakuru and Dr. Shet Prakash M, Vice Principal, University College of Science, Tumakuru formally inaugurated the function. There were three lectures from three resource persons. Dr. Satyanarayana Kumar Mallavarapu, Assistant Professor, Division of Physics School of Advanced Sciences, Vellore Institute of Technology, Chennai gave the first lecture on the topic: Solitons in Field Theory. Dr. Gurumurthy Hegde, Professor of Christ University, Bangalore spoke on Liquid Crystals Basics and Applications. Dr. Nagabhushana K R, Professor of Federal University of Sao Paulo, Santos, Brazil gave a lecture on Optically Stimulated Luminescence and Applications. Students as well as teachers interacted with the resource persons and clarified their doubts.

A short duration of valedictory function was arranged at the end of the all lectures. Prof. Nirmal Raju, Registrar (Evaluation) attended the function and distributed the prizes to the students who won in poster presentation. Shri. Harisha Kumar K, Coordinator, The Department of PG Studies and Research in Physics gave the vote of thanks.
