**Admission Brochure**

**About the college**

The University College of Science (erstwhile Government Science College) was established in 1940 and was taken into the fold of Tumkur University as one of the constituent colleges in 2010. The college is accredited with Grade "B+" by NAAC in recognition of quality in education and offers undergraduate, postgraduate and Ph. D. programs. Highly qualified faculty members, well equipped laboratories, library, reading room and hostel facility for both men and women are some of the highlights of the institution. Amenities like smart class rooms, language lab, indoor sports room and gymnasium have enriched the campus.

**Undergraduate programs offered**

The college offers B. Sc. (Honours), B. C. A. (Honours) and B. Voc. degrees. All the programs are conducted as per the norms of National Education Policy-2020 and are conducted as per the choice based credit system (CBCS) model prescribed by Tumkur University.

The allocation of the seats for these programs is strictly based on merit and reservation according to the guidelines of Tumkur University.

**B. Sc. (Honours)**

**Bachelor of Science (Honours)** is a four year undergraduate degree program in which the student can choose any two core subjects among the subjects offered by the college. There is no restriction on the combination of the subjects. Candidates who have passed Pre-University or equivalent level examination (10+2) and have studied Science (Physics/ Chemistry/ Mathematics/ Biology/ Electronics/ Computer Science) are eligible to join this program.

**Core Subjects offered**

- **Physics**
- **Chemistry**
- **Mathematics**
- **Botany**
- **Zoology**
- **Microbiology**
- **Biotechnology**
- **Electronics**
- **Computer science**

Along with the chosen core subjects the students should study two languages: compulsory Kannada and any other language, open elective papers (other than the two core subjects), compulsory ability enhancement courses and skill enhancement courses. While taking admission, students should decide the two core subjects and the languages. Remaining courses can be decided by the time of commencement of classes.

**B. C. A (Honours)**

**Bachelor of Computer Applications (Honours)** is a four year undergraduate degree course with single core subject (computer application).

- Candidates who have passed Pre-University or equivalent level examination (10+2) with Mathematics/ Computer Science/ Business mathematics/ Accountancy/ Statistics as one of the subjects
- Candidates who have passed three years Diploma after 10th standard (Regulated and Affiliated by AICTE) with Mathematics/ Statistics/ Accountancy/ Computer Science as one of the subjects
- Candidates who have passed two years Industrial Training Institute (ITI) / JOC/JODC after 10<sup>th</sup> class in Computer Science / Computer Applications / Electronics  
are eligible to apply for this program.

**B. Voc.**

**Bachelor of Vocational Course in Hardware Technology and Networking** is a three year undergraduate course. Candidates who have passed Pre-University or equivalent level examination (10+2) and have studied science (Physics/ Chemistry/ Mathematics/ Biology/ Electronics/ Computer Science) are eligible to join this program.

## How to apply?

To join our college, a candidate have to apply only through online mode. The following documents must be kept ready while applying.

- Scanned copy of recent passport size photograph. (less than 50 kB)
- Aadhaar card.
- Scanned copies of 10<sup>th</sup> or SSLC and 12<sup>th</sup> or PUC marks cards. (less than 1MB)
- Scanned copies of recent valid caste and income certificates if applicable.
- Scanned copy of document for claiming any other reservation.

Online applications can be submitted through the official website of University College of Science: [www.ucst.ac.in](http://www.ucst.ac.in). The candidates can submit the applications even using mobile phones. The detailed instructions (both in Kannada and English) to submit online applications are provided in the college website.

After the last date for submitting online applications, an omnibus merit list will be announced in the college website. In case of any discrepancy, the candidate may approach the college for correction. Subsequently, the final merit list along with the dates of counselling will be announced on the website. A printed copy of application, along the following original documents must be brought on the day of counselling.

## Documents required on the day of counselling

- Printed copy of online application.
- Three passport size photographs.
- Aadhaar card.
- Original SSLC or 10<sup>th</sup> marks card as a proof of date of birth.
- Original PUC or 12<sup>th</sup> or equivalent marks card. In case if you have not received original PUC marks card, provisional marks card duly attested by the Principal of college previously studied.
- Original study/character certificate issued by college previously studied.
- Valid caste and income certificate.
- Original documents supporting any other reservation.

**Candidates should come for counselling only on the day scheduled for them. Note that a candidate absent on the scheduled day will not be considered for seat selection on any other day.**
