REPORT

About the Special lecture:

Dr.SalimAli, one of the best ornithologist India has ever seen was in Devarayanadurga state forest during this survey from 31 Dec1939 to 4 Jan 1940. On the request of rulers of Mysore, Dr Salim Ali conducted survey of birds and habitat spread over Eight district ruled by Mysore Kings. We wish to remember the contribution made by this great man in conservation of birds, and to recall his foot prints 80 years back. Dr.Salim Ali Visit to Tumkur along with Introduction to birds.

Special lecture Themes:

- Birds Identification Techniques.
- Birds Diversity.
- Nesting Behaviour.
- Dr.Salim Ali Contribution for Conservation of birds to Tumkur.

The programme was started at 3:00 pm in Visveswaraya auditorium by invocation song from Apeksha III CBZ Student. Dr. Parimala.B. Organizing Secretary and HOD of zoology department welcomed the dignitaries, students, teachers, and non- teaching staff. The programme was inaugurated from the dignitaries by watering the plant. Dr .Lalitha.H.M. Co-organizing secretary and Assistant professor gave introduction about **Avani Academy for Nature, Tumakuru.**

Smt.Shalini.B.R. Principal University College of Science, Tumkur University delivered presidential address and encouraged the department members to conduct more programmes towards wildlife conservation.

Dr . Mahesh.G.S. Chief Guest of the function gave special lecture on “Contribution of Dr.Salim Ali on the conservation of birds in Devarayanadurga state forest”. It includes the autobiography of Dr.Salim Ali Birdman of India and his contribution in the field of

Ornithology. Salim Ali was awarded Padmabhushana by the British Union of Ornithology. Sir also gave the information about Dr. Salim Ali visited to Devarayanadurga state forest in 31st December 1939 to 04th January 1940 and identified 66 species of birds in Devarayanadurga state forest, which covers 42.27km rivers like Jayamangali, Shimsha and Garudachala. Birds like smallest bird of India Tickell's flower pecker, yellow throated Bullbul, Paradise fly chater, Fossil bird Archaeopteryx and also highlighted about snakes like Indian RockPython, Blind snake, Some Mamals like Leopards, Sloth Bear, Striped Hyna, Spotted Deer, Sambar Deer and Langus.

The special lecture motivated the students towards conservation of wildlife and new things excited the students who were present in the programme. Vishwas II CBZ and Rakesh III CBZ gave feedback about the special lecture that they learnt and got awareness about the not only the birds conservation it motivate towards wild life.

Vote of Thanks was given by Simi Simon Lecturer Department of Zoology. The programme was Anchored by Smt. Manasa S. Lecturer Department of Zoology. All the staff members and non- teaching staff witnessed the programme.

HOD and Staff

Tumkur University was established in 2004 to address the needs of students in higher education in Tumkur district aiming to achieve human potential development through committed and dedicated efforts. The University is ensuring an effective application of integrated and interdisciplinary approaches in its dissemination of knowledge. Within a very short span of time, the visionary leadership of the university has been successful in getting necessary infrastructure to the institution and is now marching towards establishing itself into a Centre of Excellence.

Zoology Wing

University College of Science (erstwhile Government Science College) was established in 1940. In the beginning, it was an Intermediate College, when it was upgraded into a degree College, B.Sc. courses in different combinations such as PCM, CBZ, PMG and CBG were introduced. Commerce subjects were introduced in 1970. At present, Smt. Shalini B. R. is the Principal of the College. Under the able guidance and leadership of Tumkur University, the College is reaching greater heights from all angles. The college is equipping itself with more infrastructure and space in order to accommodate more courses and facilities.

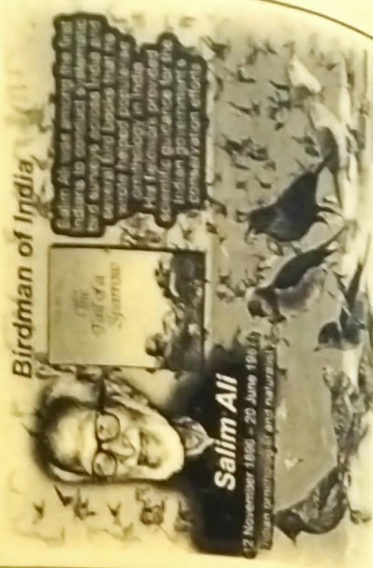

Department of Zoology

Department of Zoology was established in 1969. The department aims to provide a strong basement in scientific methods and first-hands knowledge. Department mainly focuses on research in Life Sciences with a contribution to the field of Animal Sciences. Department staff members encourage students to update scientific knowledge by involving in Seminars, Symposia, Conferences, discussion panels and also preparing them to take up competitive exams such as CSIR-UGC-NET and several entrance exams to Research Institutes.

Dr.SalimAli, one of the best ornithologist India has ever seen was in Devarayanadurga state forest during this survey from 31 Dec1939 to 4 Jan 1940. On the request of rulers of Mysore, Dr Salim Ali conducted survey of birds and habitat spread over Eight district ruled by Mysore Kings.
